

## Easy Access to a Printable ID card

### Never worry about leaving your ID card at home again.

The printable ID card is:

- **Convenient:** Print ID cards at any time - 24/7 access through participants' LIN portal
- **Simple:** Easily print ID cards on-demand to replace lost or damaged ID cards
- **Fast:** Print ID cards immediately at any time your ID card is needed, but not readily available.

Whether a card is misplaced, damaged or simply not available, you can access and print your ID card(s) as often as you want from any location through this new online feature. This allows you to print extra copies for spouses and dependents as needed. This self-service feature can be used at any time and as many times as you need.
